Jonathan Wang is an exceptional LSAT instructor and tutor. Within a matter of weeks he taught me how to not only understand but attack the toughest questions on the LSAT. I saw my practice test scores increase significantly after only a few sessions as a result of Jonathan's expertise. Rather than passively listening to his explanations of correct answers, he had me articulate reasons for and against each answer choice enabling me to make crucial associations and discover recurring patterns. Jonathan skillfully directed my thought process in order to help me form connections that led to a comprehensive understanding. He devised a study plan that was perfectly tailored to my strengths and weaknesses and he knew exactly which areas I needed to target. In comparison to the TestMasters instructors I had, Jonathan exceeded their teaching methods in every way. When it comes to argumentation and formal logic, he not only knows how to break things down in the most efficient and sensible way but he understands how to convey these concepts with absolute clarity. Most importantly, Jonathan's down-to-earth attitude and sense of humor made me look forward to each tutoring session. He completely eliminated my fear of the LSAT and helped me see the fun in it. If you want to increase your LSAT score, you'll be hard-pressed to find a better tutor anywhere in NYC.
