

James Ganley

Took LSAT: October 2011

Final Score: 172 (98<sup>th</sup> Percentile)

Before I studied under Jon, a.k.a. the Logic Games Guru, I studied using a commercial test prep company but was not able to achieve a score that I was happy with. Jon challenged me every time we met. He questioned all the assumptions that I brought to the test, and pushed me to understand not only the right answer choice, but also why the other four answers choices were wrong.

I am proud to say that I saw a large score increase on my exam, and it is all thanks to Jon's teaching. I am currently at NYU Law School on a substantial scholarship, and I have him to thank for it. I would not be here without his help. Thank you!
